

Part Number: 49313-7

Part Description: Wiring Harness  
Assembly Main Landing Gear

## Specifications

|                              |                      |
|------------------------------|----------------------|
| Product Families:            | Harnesses            |
| Product Group:               | Landing Gear Systems |
| Part Number                  | 49313-7              |
| Root Part Number             | 49313-XX             |
| ATA Chapter 2 Digit          | 32                   |
| ATA Chapter 4 Digit          | 32-61                |
| ATA Chapter 6 Digit          | 32-61-01             |
| MFR / Manufacture -CAGE Code | Goodrich             |
| Application                  | CRJ                  |

## Repair

|                      |                                           |
|----------------------|-------------------------------------------|
| Part Number          | 49313-7                                   |
| Description          | Wiring Harness Assembly Main Landing Gear |
| Repair Manual- CMM   | CMM                                       |
| Bench Check & Advise | Yes                                       |
| Repair               | Yes                                       |
| Repair Facility      | Hialeah                                   |

## Logistics

|             |                                           |
|-------------|-------------------------------------------|
| Part Number | 49313-7                                   |
| Description | Wiring Harness Assembly Main Landing Gear |

From sophisticated composite repairs for nacelles and stabilizers to intricate nose-to-tail flight control overhaul, 630 Aerospace offers a full range of services and payment approaches that accommodates each customer's mission requirements, business needs, and financial goals.
